

a heavy duty workhorse - capturing the past, envisioning the future.

# Available Configurations: MP | AV | ABR

The Linea PB, designed by and named in recognition of Piero Bambi, introduces a new level of performance, reliability, and craftsmanship. The machine features the iconic La Marzocco polished stainless steel body, updated with simplified lines and a lower profile, equipped

with exclusive, user friendly interface software that gives the barista direct functional control over boiler temperature, brewing volume, hot water tap dose, auto-back flush as well as other options. The group cap features and integrated flow-meter to ensure that water never

leaves the saturated area of the coffee boiler, reducing temperature instability during brewing. The Linea PB is the first La Marzocco machine equipped with the new generation of proprietary electronics and iconic three-button interface.

#### **Dual Boilers**

Separate boilers optimize espresso brewing and steam production.

## Dual PID (coffee and steam)

Allows you to electronically control coffee and steam boiler temperature.

#### **Insulated Boilers**

Reduce energy consumption while contributing to temperature stability.

## **Saturated Groups**

Ensure unsurpassed thermal stability, shot after shot.

# Piero Group Caps - AV, ABR

Re-engineered internal water path and flow-meter positioning that increase temperature stability.

# **Digital Display**

Intuitive programming makes it easy to adjust machine parameters.

#### Eco Mode

Can be programmed to enter stand-by mode, improving energy efficiency.

#### USB

Making it possible to update the firmware.

## Conical Paddle - MP only

Assures progressive control of water flow and pressure before applying full pressure.

# Programmable Doses - AV, ABR

Auto-volumetrics ensure repeatability and consistency in high-volume settings.

# **Integrated Scales - ABR only**

Available Number of Groups: 2 | 3 | 4

Precision scales integrated in the drip tray provide an improved level of consistency.

## High Legs - Special Order

Makes it easier to access beneath the machine.

# Barista Lights - Special Order

Led lighting allows you to focus on your extraction and the cup.

# Personalized Colors - Special Order

Customizable colors based on the RAL color system, on request.

# **Cup Warmer - Special Order**

Maintain espresso and cappuccino cups evenly heated at a proper temperature.
